

HOW TO IMPLEMENT UDL IN YOUR CURRICULUM

LEARNING OBJECTIVES

Ensure that learning objectives are student-centered, focused on cognitive skills & verbs, and concentrate on essential skills.

COURSE MATERIALS

Choose course materials that are available in multiple formats (pdf, audiobooks, e-journals) & are culturally diverse.

SYLLABUS CLARITY

Ensure that your syllabus clearly outlines course requirements, deadlines, instructional methods, evaluation methods, & course schedule.

SYLLABUS ACCESSIBILITY

Provide options for syllabus access - post it on myCourses as a pdf or word document before classes start, & provide a hard-copy in class.

CONTACT

Offer different methods for students to contact you - by email, office hours, Skype, or phone.
